### ASTUTE STANDS

**Wave stand 8** Pair of stands for all Astute 8 speakers in black or white finish £349  
Option in "clear" acrylic with black base add £284

**Wave stand 10** Pair of stands for all Astute 10 speakers in black or white finish £923  
Option in "clear" acrylic with black base add £424

Other stands can be quoted on request from the expansive range on our website. Bespoke stands are understandably more costly to produce than the wave stands due to the one off nature of a tailor made product to perfectly meet your personal style.
